

Memorandum of Understanding

between

**Faculty of Science, Chiang Mai University, Thailand
represented by the Dean of the Faculty of Science and the
Head of the Department of Biology**

and

**College of Agriculture, Tunghai University, Taiwan
represented by the Dean of the College of Agriculture and
the Head of the Department of
Landscape Architecture**

This Memorandum of Understanding (MOU) covering mutual cooperation in accordance with the following Clauses:

First Clause:

This MOU is designed to promote scientific interchange between the parties (the Faculty of Science, Chiang Mai University, and the College of Agriculture, Tunghai University).

Second Clause:

This MOU has the following objectives:

1. To promote collaborative teaching and research activities between the parties through joint projects, including the exchange of academic staff, the organization of seminars on themes of mutual interest, and joint research publications in international journals.
2. To encourage the involvement of selected students and staff of each party in the advanced education and research programs of the other, recognizing the respective institutional requirements.

Third Clause:

Joint activities concerning the scientific cooperation will be on a Faculty to Faculty basis with the Heads of the respective Departments responsible for the implementation of the agreed work program.

Fourth Clause:

The present MOU will take effect from the date of signing by the 4 signatories named below and will remain in force for 5 years. It will be renewed automatically 5 years terms unless either one of the parties notifies the other to the contrary in writing at least 6 months before the date of expiry.

Fifth Clause:

The present MOU can be considered rescinded amicably by common agreement of both parties or by the innocent party in the case of non-compliance by the other with any of the previous clauses.
