

**Memorandum of Understanding
between
Korean Society for Atmospheric Environment (KOSAE)
and
the Environmental Science Research Center (ESRC),
Chiang Mai University (CMU)**

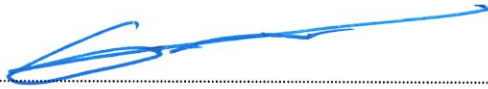

- Item 1.** KOSAE and ESRC-CMU exchange this MOU with an aim of extending mutual understanding and friendship and developing scientific and engineering communication between the two societies.
- Item 2.** Both parties will conduct the active exchange of academic information in the field of environmental science, environmental engineering, environmental industry and environmental education.
- Item 3.** To enforce collaboration between the two institutions, each party agrees on the following sub-items and does the best to derive fruitful results out of collaboration.
1. Exchange of data and information covering environmental science, environmental engineering, environmental industry and environmental education.
 2. Development of mutual friendships between the members of each society and special committees.
 3. Conductance of cooperative research on environment of mutual interest.
- Item 4.** Both parties agree on the following sub-items.
1. Both parties will promote the cooperative research of common interest.
 2. Both parties will support expenses required for mutual exchange program as long as the condition is permitted.
- Item 5.** Both parties will discuss the progressing stage of this MOU and can also convene a meeting to promote such activity.
- Item 6.** Both parties respect the fundamental agreement of this MOU with its effectiveness under the spirit of friendship and equality.

Item 7. This MOU is prepared formally in English and becomes effective upon signing by both parties' presidents and delegates.

Done on 6 July 2023 in two original copies in English language.
